

WORKSHOP SEA – Training Centre, SKOPJE, FEBRUARY 2015

Workshop on Practical Guide to Contract Procedures for EU External Actions, organised by SEA Skopje Training Centre.

Workshop on Practical Guide to Contract Procedures for EU External Actions was held in the period 9-11 February and in the period 23-25 February 2015 in Skopje. The workshop was attended by five auditors from the Audit Authority.

The aim of this workshop was to familiarize with the basics of the PRAG procedures related to the pre-accession instruments components, understanding the various public procurement procedures and identification of problematic steps and finding solutions.

The workshop was attended by participants from the institutions of the national IPA operating structure.

Training was delivered by a local expert, civil engineer, having PhD in project management.
